<p>Evaluate</p>	<p>Curricula will be continuously evaluated as the teachers and students live through it. Through department/grade level discussions with the Director of Curriculum & Instruction, we will determine the effectiveness of the curriculum using student data. We will review formative and summative assessments that are in alignment with NJSLS. All of this information will be used to dictate changes to the curriculum.</p> <p>Where possible, curriculum will be divided into the coordinating grade level bands of the New Jersey Student Learning Standards.</p>				
<p>Revise</p>	<p>Throughout the year, revisions may be made to curriculum documents in regards to the pacing and timing of the content. Revisions may also need to be made upon purchase of a different program to use as a resource within the curriculum.</p> <p>Currently, all middle school and high school English Language Arts and Social Studies curriculum documents need to be revised to include people with disabilities, LGBTQ+, and diversity by September 2020.</p>
