

Steps to Register for 2015-16 Sports

1. Go to <http://www.saddlebrookschoools.org> and click on “Athletics” in the top right corner of the page.
2. Click on the ”Register Now for Fall 2015 Sports” link. That will take you to the Saddle Brook High School Athletics Registration page. It will explain what requirements are needed for Physical paperwork, and a link to start the registration process.
3. You must submit hard copies of physicals to the nurse. There is an optional but recommended step to upload a copy of your physical to your registration. This will allow you to access a copy of your physical anytime in case it is needed. To do this scan the hard copies and upload it into our system.
4. Read all policy documents. There is no need to print the documents, just read them.
5. Go through the Fall Athletic Packet and type in your information when called for.
6. Set up a “Family Account” with your own username and password.
7. Click “submit” to send in the data.

Reminder: Completing this does not mean you’re cleared, it just means your paperwork has been submitted for approval. Coaches will notify players on their status.
