You will be receiving an email from the principal of your child's school reminding you of this information as we get closer to the dates. This email will also contain a Parent Questionnaire in a Google Form to allow you to share information about your child with us that will enable us to best prepare to provide your child with an optimal educational experience.

We appreciate your patience with us as we finalize the details of these important events. Please don't hesitate to reach out to Toni Violetti, Director of Curriculum & Instruction, if you have any questions or need further information: [tvioletti@sbpsnj.org](mailto:tvioletti@sbpsnj.org). We are eager to meet with all of you and share all that our school district has to offer to you and your family.
