Dear Parent/Guardian:

I would like to officially welcome you and your child to Middle School. I'm Mr. Meisch and I have the pleasure of being the Acting Principal of Saddle Brook Middle/High School. I'm so excited to welcome a new class of 7th graders into our community. My top priorities for your children are to provide for their physical and emotional safety and to provide them with access to the highest quality education.

While there was a stay at home order last Spring, we missed out on many end-of-year events and milestones, including the opportunity for you and your children to become familiar with the Middle School and our staff. To that end, we created a brief introductory video to put some faces to the names. [Click here to watch.](#)

We're also working on a modified 7th grade Orientation where you will have an opportunity, in-person and/or virtually, to see the building, ask questions, and review some of the changes we are implementing as part of our reopening plan. Once we release student schedules, we will send out more information regarding the event specifics and sign-up options for orientation.

In the meantime, if you have any questions, you can certainly feel free to reach out to me. I would love to talk to you. Additionally, you can also contact our new Middle School Guidance Counselor, Mr. Giorgio at [dgiorgio@sbpsnj.org](mailto:dgiorgio@sbpsnj.org) or our Vice-Principal, Ms. Coffey at [bcoffey@sbpsnj.org](mailto:bcoffey@sbpsnj.org).

I'm looking forward to meeting you and our new 7th graders really soon!

Respectfully yours,

Donald J. Meisch, Jr.  
Acting Principal
