FOOD SERVICE OPERATIONS

Dear Parents/Guardians:

The Saddle Brook School District contracts with Pomptonian Food Services to offer breakfast and lunch at all district schools. Please contact your child's school for breakfast time and procedures. You can find important information (menus, policies and free/reduced meal application) on the district's website: www.sbpsnj.org under Departments/Food Service.

The district offers an on-line payment/meal transaction system called "[PaySchools Central](#)". You will find a link to this system on the district's website. Cash payments will not be accepted at the serving lines in the elementary schools. You can also add money to your child's account by submitting a check, made payable to the "Saddle Brook Cafeteria Account", to your child's main office.

You can also set up restrictions on your child's account. Please email the food service manager of foodservices@sbpsnj.org and let them know your child's restrictions:

Here are some examples of restrictions that can be added to your child's account:

- Food Allergies
- No snacks can be purchased or only one snack per day
- No second lunch can be purchased
- Only one slice of pizza

The food service department will work with you so your child has a positive lunch experience.

Sincerely,

Raymond G. Karaty
Business Administrator/Board Secretary
